

WOHL ILFORD JEWISH PRIMARY SCHOOL

Admissions Policy and Procedures For Admission to Nursery from September 2025

Wohl Ilford Jewish Primary School's Foundation Body is the United Synagogue and its religious authority is the Chief Rabbi of the United Hebrew Congregations of the Commonwealth.

The School's ethos¹ demonstrates orthodox Jewish belief and practice, embodied in the principles of Torah and Halachah, in a modern setting. These include creating a sense of belonging, encouraging and preparing for lifelong Jewish learning, spiritual growth and practice, mutual responsibility within the Jewish community and the wider world, and the importance of Israel in Jewish life. Jewish belief and practice permeate every aspect of the School's activities and are intrinsically linked to its secular curriculum. The School welcomes families from any synagogue denomination or none.

Wohl Ilford Jewish Primary School will give priority, within the over-subscription criteria, to applicants who meet a religious practice test based on guidelines from the Chief Rabbi such as the family's synagogue service attendance, commitment to Jewish education and voluntary work within the Jewish community. Those applicants wishing to be considered for a priority place must submit a completed and valid Certificate of Religious Practice (CRP)² after the parent(s)/guardian(s) or child have achieved FOUR (4) points on behalf of the child. There is no benefit in obtaining more than four points.

The Nursery admits children from the age of three years old. There are 52 places and children will be admitted at the beginning of each nursery term, provided a place is available.

Open mornings and evenings for prospective parents are held in the autumn and individual visits are also welcome by prior arrangement. Please contact the School for details.

All children whose Education, Health & Care Plan (EHCP)⁷ names the School will be admitted.

OVERSUBSCRIPTION

If the Nursery is oversubscribed, after the admission of children with an EHCP⁷ which names the School, priority will be given to those children who meet the criteria as set out in the order of 1 to 8 listed below.

Oversubscription Criteria

- 1 Looked after children⁸ and all previously looked after children⁹, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted, with a completed and valid CRP².
- 2 Siblings⁵ of pupils attending the School on the date of admission, with a completed and valid CRP².
- 3 Children of staff with a completed and valid CRP².
- 4 Siblings⁵ of former pupils of the School, with a completed and valid CRP².
- 5 Other children who have a completed and valid CRP².
- 6 Other children who are looked after⁸ by a local authority, or other children who were previously looked after⁹ by a local authority.
- 7 Siblings⁵ of pupils attending the School on the date of admission without a completed CRP².
- 8 Any other children.

Tie-Breaker

In the event of there being more applicants than places available within criteria 1-8 above, priority will be given to children living nearest the School. Distance will be measured from the main entrance of the home address⁴ to the main gate of the School site using the London Borough of Redbridge Council's computerised mapping system. In cases where more than one applicant lives equidistant from the School, and places cannot be offered to all these children, the available place will be determined by random allocation supervised by a person independent of the School.

APPLICATION PROCEDURES

1 When and How to Apply

a) Children will be admitted to the Nursery in the term following their third birthday. Application should be made (by the date indicated on the CRP²) directly to the School.

Application is by completion of the School's Nursery Application Form. In order to be eligible for a priority place within the over-subscription criteria, the School's Certificate of Religious Practice (CRP)² should also be completed. Both forms are available from the School Office or website (www.wijpsonline.co.uk).

b) All applications received on time will be processed together. Priority will not be given to children based on the date their application is received or when their name is added to the list.

c) Application for a child whose Education, Health & Care Plan⁷ names the School is made by a separate process. Please speak to the School if you believe this applies to your child.

2 Offer Date

A letter to parents offering a place will be sent by the School.

3 Response by Parents

Parents are requested to indicate, in writing, their intention, or otherwise, to take up a place by the date mentioned in the offer letter.

4 Late Applications

All applications for Nursery received after the application deadline date (as indicated on the CRP²) for entry in the forthcoming academic year will be considered "late" and will be processed after those that have been received on time.

5 Waiting List

For those applicants who do not receive an offer of a Nursery place, the child's name will be included on the waiting list. The School's waiting list will be kept open indefinitely and the School may check with parents, from time to time, to establish whether they wish their child to remain on the waiting list.

Following the application procedure for Nursery places, and once initial offers have been made, the waiting list will be adjusted to include late applications. A child's position on the waiting list will not depend upon when the application was made, but will be determined by how the over-subscription criteria are met. This means that a child's position on the list can go down as well as up, depending on the circumstances of all applicants. In the event of a vacancy occurring, the place will be offered to a child on the waiting list starting with the one at the top, at the time, and working downwards until the vacancy is filled.

Parents are asked to inform the School if they no longer wish their child's name to remain on the waiting list.

6 Right of Appeal

Parents who receive a letter to say that their application has not been successful do not have the right to appeal the decision as nursery education is for children who are under statutory school age. Parents will be encouraged to apply again the following year for a place in Reception³.

In-Year Applications and Applications outside the Normal Admissions Round

Application for Reception³ received after the start of the academic year of normal entry or for a place in years other than Reception³ should be made directly to the School. Application is by completion of the School's In-Year Application Form. In order to be eligible for a priority place within the School's oversubscription criteria, the CRP² must also be completed. Both forms are available from the School Office or website (www.wijpsonline.co.uk), and must be returned to the School without delay, together with proof of address⁶.

Waiting List

For those applicants who do not receive an offer of a place, the child's name will be included on the waiting list. The School's waiting lists for all years will be kept open indefinitely and the School may check with parents, from time to time, to establish whether they wish their child to remain on the waiting list. A child's position on the waiting list will not depend upon when the application was made, but will be determined by how the oversubscription criteria are met. This means that a child's position on the list can go down as well as up, depending on the circumstances of all applicants. For applications where a child moves to a new permanent home, proof of address⁶ will be required and the distance will be recalculated and the child's position on the waiting list may be adjusted. In the event of a vacancy occurring, the place will be offered to a child on the waiting list starting with the one at the top, at the time, and working downwards until the vacancy is filled. Parents are asked to inform the School if they no longer wish their child's name to remain on the waiting list.

Right of Appeal

Parents who receive a letter to say that their application has not been successful do not have the right to appeal the decision as nursery education is for children who are under statutory school age. Parents will be encouraged to apply again the following year for a place in Reception³.
